Have you previously held any public office? (Please specify)
Response: No

1. The 1973 U.S. Supreme Court decisions in Roe v. Wade and Doe v. Bolton did more than just "legalize" abortion-on-demand; they prohibited virtually any federal, state or local laws from protecting pre-born children from death by abortion throughout all nine months of pregnancy. Do you support reversal of Roe v. Wade and Doe v. Bolton?
Response: Yes

2. Do you support federal and state legislation to ban abortion-on-demand from fertilization to birth?
Response: Yes, with exceptions (please explain)

Comments
Response: I believe that there should be an exception in the case of necessity to save the life of the mother. I believe that this situation is rare, and that this is a consistently pro-life position as I would consider this to be a life-saving procedure.

3. Do you support legislation that prohibits distributing tax money for any reason to organizations that promote or perform abortions domestically and in foreign countries?
Response: Yes

5. Do you oppose any legislation that promotes or encourages healthcare rationing for the elderly and other vulnerable people?

Response: Yes

Comments

Response: Decisions about treatment and care should be made by the patient and doctor. Much of what has been done to "fix" medical treatment and care over the past thirty years has only served to harm the relationship of trust that must exist between a doctor and a patient.

6. Do you support conscience protection legislation for healthcare workers who do not want to participate in abortions or other immoral practices?

Response: Yes
